## FACT NOT FICTION

### A Summary of the Comprehensive Investigation by the Associated Press (AP) Regarding 2020 Election Fraud Claims in **SIX** Battleground States

Investigators from AP spent months investigating EVERY potential case of 2020 voter fraud in the SIX battleground states.

They spoke with more than 300 local election officials, as well as secretaries of state and state attorneys general.

**FINDINGS: FEWER THAN 475 POTENTIAL CASES OF VOTER FRAUD WERE IDENTIFIED, WHICH WOULD HAVE MADE NO DIFFERENCE IN THE FINAL 2020 RESULTS.**

1

#### ARIZONA

Margin- 10,457 Votes

198 Potential Cases  
out of 3.4 million  
votes cast.  
*9 people charged*

2

#### GEORGIA

Margin- 11,779 Votes

64 Potential Cases  
out of over 4  
million votes cast.  
*31 due to administrative  
errors. Attorney General  
review of 20 cases*

3

#### MICHIGAN

Margin- 154,188 Votes

56 Potential Cases  
out of over 5.5  
million votes cast.  
*2 individuals submitted 50  
fraudulent requests for  
mail-in ballots;  
4 people charged*

4

#### NEVADA

Margin- 33,596 Votes

93-98 Potential  
Cases out of 1.4  
million votes cast.

5

#### PENNSYLVANIA

Margin- 80,555 Votes

26 +6 Potential  
Cases out of  
almost 7 million  
votes cast.  
*11 counties responded  
with 26 cases.  
Philadelphia -6 cases;  
6 people charged*

6

#### WISCONSIN

Margin- 20,682 Votes

31 Potential Cases  
out of more than  
3.2 million votes  
cast.  
*After review, prosecutors  
charged 7.*

*In most cases, these disputed votes were not counted. There was no evidence of collusion intended to "rig voting". In almost EVERY CASE, an individual alone tried to cast additional ballots.*
